Dear Mr. Chairman:

Thank you for your letter of April 24, 2006, discussing some of the remaining activity-level work planning and control implementation issues by Fluor Hanford, Inc., at Richland. I was pleased to hear that Mr. Dae Y. If you have any questions, please call me at (202) 586-7709, or Dr. Inés R. Triay, Chief Operating Officer for Environmental Management at (202) 586-0738.

Sincerely,
