Mr. David Alldridge  
Senior Technical Advisor  
Savannah River Field Office  
National Nuclear Security Administration  
U.S. Department of Energy  
Savannah River Site  
P.O. Box A  
Aiken, SC 29802

Dear Mr. Alldridge:

As previously agreed to, we formally invite you to appear and provide testimony at a public hearing<sup>1</sup> on the status of the Savannah River Site. The hearing will take place at The Etherredge Center on the University of South Carolina Aiken campus, on March 19, 2020. The public hearing will be comprised of three sessions: Past Actions and Future Plans for Addressing Recommendation 2012-1, Building 235-F Safety; Federal Oversight and Staffing; and the Safety Posture of the Tritium Enterprise Facilities. Your participation is requested for the third session, which is scheduled to take place from 7:00 to 7:55 p.m.

The format for this hearing will include time for you to respond to questions from Board Members. Please be prepared to discuss the ongoing and planned actions to address high radiological dose consequences to the workers for accident scenarios. The Board posted the agenda for the hearing on its web page, <http://www.dnfsb.gov>. We will keep you apprised of any agenda changes that may occur as preparations are finalized.

The Board looks forward to your participation. Please contact Mr. Christopher Roscetti (202-694-7169) to confirm your attendance by March 4, 2020 or if you should have questions or to make necessary arrangements for your attendance.

Yours truly,

  
Bruce Hamilton  
Chairman
