

DNFSB Interface

Terry Olberding

Director, Technical Division

Y-12 Site Office

Strategic Approach

z Open Communications

- y Weekly Sr. Mgt meeting with Site Rep
- y Encourage exchange of information from both Fed Staff and Contractors

z Proactive Management

- y Status updates to Board on items of interest
- y Attention to Commitments
 - x Award Fee item
 - x Commitments tracked, including Recommendation deliverables

Current Site Issues

z Issues

- y Restart activities
- y Currently no site representative

z Items of Continuing Interest

- y Fire Protection
- y Projects
- y Authorization Basis Status
- y Non-MAA Storage
- y DNFSB Recommendation 2000-2 VSS

Effective Interface Techniques

- z DNFSB Liaison - both Fed and Contractor
- z Weekly Sr. Mgt meeting with Site Rep
- z Inclusion of Site Rep and DNFSB staff
 - y B-1Wing Fire Protection
 - x AB reviews
 - x Long-Term Fire Protection Strategy
 - x Systems Thinking Review
